This form accompanies the Tutor Policies, general service terms and shared refund policy. It does not determine employment status or remove non-excludable legal rights.

Tutor declaration

I will describe my competence accurately, protect learner data, respect professional/safeguarding boundaries, honour confirmed sessions and obtain permission for published materials/media. I will report cancellations and incidents promptly and will not demand settlement for a service I did not supply.

Limited indemnity

Subject to law, I accept responsibility for direct losses proven to result from my own fraud, unlawful conduct, material contract breach or infringement of another person's rights. Any claim must take account of causation, proportionate responsibility, mitigation and fair dispute resolution. This does not cover the company's own fraud, wilful misconduct, gross negligence or non-excludable liability. No arbitrary deduction, unlimited automatic penalty or surrender of statutory rights is authorised.
