Parent and Guardian Terms of Service

SmartBridge FET | Tech & GUARD (Pty) Ltd
Version 1.1-draft | Prepared 14 October 2026

DRAFT FOR OWNER AND SOUTH AFRICAN LEGAL REVIEW. This document is not yet an activated contract. Registered business address and company registration details must be confirmed before paid public trading. Support: aneleq@techandguard.co.za.

Authority and learner access

Provide accurate contact details and confirm your authority to act for the learner. Submit evidence only through an approved secure process if requested; do not upload identity documents to public areas. A signed form does not automatically establish guardianship or grant database access. Routine report access follows the approved learner-parent link; questions involving a minor's competent-person consent require review under applicable law.

Supervision and payment

Help the learner use appropriate equipment, attend agreed sessions and stay safe online. Review the tutor's profile and suitability; platform verification is not a guarantee of outcomes. Read the price, access duration, renewal terms and refund policy before purchasing. Platform subscription fees and tutor booking fees are distinct. Do not share your account or ask a learner to disclose passwords.

Cancellation and consent

Help the learner submit a written booking cancellation to the tutor. At least 24 hours' notice makes a paid booking eligible for a full booking-fee refund; later notice or exceptional circumstances are reviewed fairly and mandatory rights remain. Ordinary subscription change-of-mind refunds are unavailable after access begins, subject to statutory exceptions. A guardian's permission must be informed and specific; an indemnity does not waive the company's non-excludable duties. Ask support to change consent or seek a verified data-access/deletion process. Retain a copy of the version you accepted and any completed forms.
