Student Terms and Conditions

SmartBridge FET | Tech & GUARD (Pty) Ltd
Version 1.1-draft | Prepared 14 October 2026

DRAFT FOR OWNER AND SOUTH AFRICAN LEGAL REVIEW. This document is not yet an activated contract. Registered business address and company registration details must be confirmed before paid public trading. Support: aneleq@techandguard.co.za.

Student responsibilities

Use your own account for learning, respect classmates and tutors, and provide an accurate grade and subject selection. A parent or competent guardian must authorise a minor's participation where required. Keep personal details out of public study posts. Obtain help if anyone asks for money outside approved payment channels, private images or unsafe contact.

Learning and tutoring

Resources and quizzes support learning; results are not official school marks. Verify important information with your teacher. A verified tutor listing is not a guarantee of outcomes or a blanket safeguarding certification. Attend the booked session on time with suitable internet/device access. Do not record a tutor or another participant without valid permission. Arrange guardian supervision appropriate to your circumstances.

Payments and cancellations

Read the shared subscription and booking policy before paying. Subscription charges normally pay for the access period and platform operating costs; mandatory refund rights are preserved. A paid tutoring booking cancelled at least 24 hours before the session is eligible for a full booking-fee refund. Use the in-app cancellation action and provide a written message to the tutor so they can rearrange their day. Keep the cancellation reference. Do not rely only on closing the browser or an unrelated chat message. If the app is unavailable, contact support with the booking reference and ask for recorded notice to the tutor; a technical failure must not erase your legal rights.

Safety, privacy and complaints

Report bullying, inappropriate materials or tutor misconduct. Learner-approved parent links control routine progress sharing; guardian-authority questions receive separate review. Ask support for a secure process to submit a completed guardian/indemnity form or request access/deletion. Do not post completed forms in study rooms. The general Terms of Service, Privacy Notice and shared refund policy apply; no provision removes statutory rights.
