SmartBridge FET | TECH AND GUARD (Pty) Ltd
Version 1.1-draft | Prepared 14 October 2026

DRAFT FOR OWNER AND SOUTH AFRICAN LEGAL REVIEW. This document is not yet an activated contract. Operator: TECH AND GUARD (Pty) Ltd, CIPC registration 2026/155090/07. Registered office: 6 Marais Road, Stellenbosch, Western Cape, 7600, South Africa. Support: aneleq@techandguard.co.za. Purpose

Record the learner's participation and the competent person's authority where required. A staff member must verify the request before enabling any account/report access. Do not collect national identity numbers, health details or banking information on this form.

Choices

Permission for learning-platform participation does not automatically permit public learner photographs, session recordings, direct marketing, sensitive-data AI processing or disclosure to unrelated tutors/parents. Separate, specific consent is needed where applicable. Learner-approved report links remain subject to lawful guardian-authority review.

Declaration

I have reviewed the service and parent/student terms and understand the fee/cancellation policy. I will contact support if authority, consent or the learner's circumstances change. I understand withdrawal or a deletion request may require identity/authority verification and lawful record-retention review. This is a draft, not activated contractual consent. Complete and retain the form; submit it securely only when the process is approved.
