Read before signing

This form accompanies the Student Terms, general Terms of Service and refund policy. It is not a waiver of statutory rights or a substitute for verified guardian consent. A minor's guardian must sign where legally required; the student's signature alone is not treated as sufficient authority.

Acknowledgement

I understand the platform is educational support, not a promise of marks, admission or uninterrupted connectivity. I will follow safety rules, use my own account, protect personal information and promptly report misconduct. Tutoring may require age-appropriate supervision.

Limited responsibility

To the extent lawful, I accept responsibility for losses directly caused by my own proven unlawful conduct or material breach, with causation, fair process and mitigation considered. I do not indemnify the company for its fraud, wilful misconduct, gross negligence or any duty/liability that cannot legally be excluded. No automatic unlimited liability or waiver of valid refund rights is accepted.

Signature declaration

I have had a reasonable opportunity to read and ask questions. The version above is a draft; signing a review copy does not activate unpublished terms. Complete the fields below and retain a copy. Submit a completed form only through the company's verified secure process, not a public study post.
